About NPP, continued

In addition to our annual conference – the Keystone Nonprofit Conference (KeyCon), now in its 23rd year, we host various formats of programming opportunities throughout the year, many of which are offered in collaboration with sector leaders and subject matter experts. We also have a vibrant online presence which includes our email newsletter, the Nonprofit Insider; a job board; a blog, hosted on our website at YourNPP.org; an extensive resource library; a help desk portal; and much more. We also support our membership by providing countless consultations each year on topics ranging from governance and strategy to marketing, fundraising, and operations—and everything in between.

If you'd like to include a giveaway in attendees' conference bags, please ensure the item is compact and lightweight.

We will not accept any printed collateral (flyers, brochures, booklets, etc.) as a giveaway for attendees' conference bags; instead, we invite you to display printed materials at your exhibitor table.

How many giveaways should I plan to share?

Please plan to provide **250 giveaway items**.

Where should I deliver the items? When are the items due?
